

## The Art of Peace Journey 2010 - 2012

### Medicine Wheel, Potter's Farm

In our world today, millions of people are calling out for Peace. Our voices connect with others who share a vision that we could live together in a way of wholeness and balance, in respect for all other humans, for the animals, for the Mother Earth herself.

#### **We know in our own wisdom that Peace begins inside the Self.**

Journey with us over the next two years, in quarterly weekend teaching ceremonies of "The Origin Teachings of the Delicate Lodge", an ancient pre-Mayan bundle of wisdom tools, of consciousness development practices... old knowledge of how we can come to live in balance and beauty, deeply honoring the self and all of life. In between each Teaching Ceremony you will integrate your learning through shared practice in communication with your training mates, receiving regular feedback and guidance in the application of these powerful Medicine Wheels from your Guides.

Your Guides will be Patrick BlackWolf and Paula DancingEagle Coyne, who have been trained as Guides by RainbowHawk, WindEagle and WhiteEagle, Keepers of this oral tradition. WhiteEagle will be with us for the Ceremonies of Year Two.

#### **Locations:**

For the 8 quarterly ceremonies, we will be at Potter's Farm Retreat Center, our ceremonial home in the Midwest (Washburn, Wisconsin, near Bayfield).

For the final Blessing Ceremony, we will journey together to Tulum, in Yucatan, Mexico. This is sacred ancestral land for this Bundle of Teachings, and we will experience pyramids, cenotes, the turquoise mother ocean, and the beauty of the jungle.
